# CONTENTS

INTRODUCTION .....	7
--------------------	---

## 1

---

### DIGITALIZATION OF AN ECONOMY AND DEVELOPMENT OF ICT

1.1. Digitalization and modern ICT. Properties of the ICT sector, its structure and infrastructure .....	15
1.2. Institutional and economic aspects of ICT .....	22
1.3. Prerequisites for successful development of ICT .....	29

## 2

---

### TECHNOLOGIES OF DIGITALIZATION OF AN ECONOMY

2.1. Transfer from traditional to digital business .....	39
2.2. Factors of digitalization impact on results of economic activity .....	46
2.3. Development of technologies for an economy's digital transformation (on example of 5G, Big Data and blockchain) .....	50
2.3.1. 5G of mobile communications .....	50
2.3.2. Big Data and analytics .....	57
2.3.3. Blockchain .....	65
Appendix 2.1 .....	72

## 3

---

### ENVIRONMENTAL ASPECTS OF DIGITALIZATION OF THE ECONOMY

3.1. Global trends in the ecological and digital transformation of the economy .....	77
3.2. Analysis of the digitalization impact on sustainable development .....	85
3.3. Environmental and digital profile of Ukraine .....	90

## 4

---

### PROBLEMS OF ASSESSMENT OF DIGITALIZATION PROCESSES AND THEIR IMPACT ON ECONOMIC DEVELOPMENT

4.1. Analysis of methodological approaches to monitoring and assessment of digitalization processes .....	105
---	-----

4.2. Evolution of mathematical models of ICT impact on economic development . . . .	111
4.3. Analysis of modern models of ICT impact on economic developmen . . . . .	115

## 5

---

### TRANSFORMATION POTENTIAL OF DIGITALIZATION AND WAYS TO INCREASE NATIONAL COMPETITIVENESS

5.1. Construction dependence function of real results and digital costs . . . . .	129
5.2. Assessment of the transformation potential of the economy's digitalization. . . . .	139
5.3. Ways to enhance the transformation potential of the national economy's digitaliza- tion and competitiveness . . . . .	148
5.3.1. Vector of technology development . . . . .	153
5.3.2. Vector of human capital development . . . . .	155
5.3.3. Vector of institution development . . . . .	156
